Re: Initial prayer and recommendation

Archbishop Rodi,

PRAYER:

I pray to our Father in the name of Jesus, His only begotten Son, that effective August 1, 2008, beginning in the diocese of Mobile in Alabama, that each day one member of the priesthood, who is an active or inactive homosexual (includes anyone involved with bestiality), a pedophile, adulterer, Satanist, wiccan, participant in Bohemian Club activities, Freemason, Illuminati and inter-related or similar type secretive organization that exists for greed, power, or promiscuity, dies for their offense against God until none such are left.

Additionally in subsequent ten-day intervals the rest of the dioceses of the province of Mobile; then the rest of the dioceses in the southeastern region of the United States, followed by the whole of North America, and finally in all of the dioceses of the Catholic Church throughout the world with the exception of those within the confines of the diocese of Rome, Italy.

RECOMMENDATION:

All such priests in order to avoid death, according to the will of God, for their harmful ministry in the Catholic Church are to resign permanently from the priesthood with the understanding that if they ever attempt to act as a minister of any sort, serve false gods, or promote atheism their lives will be forfeit. They are also to give up their offensive activities.

Sincerely in Jesus Christ,

Fr. David C. Trosch
